“ Matthew was a wonderful soul, only knew him as an online friend but he was one of the best friends anyone could have. 12 years later and his memory is as present as the day I met him, hoping to see you again one day Matthew.

“ I remember I meeting Matthew in elementary school. Me, Bryce and Matthew were inseparable even when we went to middle school. My favorite memory of him is when we were in gym class and Matthew used to run around like he was a Ninja from Naruto. It was pretty funny. He was always there to make us laugh and smile. Me, Bryce, Matthew and Ericka had pretty awesome memories together. Another memory that i had was when we all had music class together and Bryce and Matthew would get in trouble for talking toon much. The teacher had to move Matthew to the back but that didn't stop him from talking to his friends. I feel guilty knowing that I never stayed in contact with him when I moved to Florida. I miss you, Buddy. I wish I could see you again

“ *Beharry Family,
It is with great sorrow to lose someone so precious; Matthew was a bright intelligent student at Morganton Road I enjoyed having him in computers. I can't say I know how you feel because I don't! I do know that there is a hope of a resurrection when he will awaken and this will be a thing of the past just know that he's asleep only briefly.*

*With warmest and heartfelt love,
Ms. Griffin*
