“ To the family of this young man, he was a very friendly and happy person. When I would go to Walmart he was always hard working, he would get them carts so fast. When I went to the store and seen that memory table it touched my heart. He will be missed. My condolences to the family. Regina A.

“ Maurice was a different kind of worker. He worked all over the store. I'm going to miss him so much. He was a really great guy. My condolences to his family. Your Wal-Mart family is going to miss you greatly. You'll be in our thoughts forever friend.

“ *My sincere condolences to the family of Maurice! Went to my local Walmart and saw a memorial table setup and the last person I thought I would see on that table is Maurice. He was such a hard caring worker and would make sure my water was taken to my car when I had back issues. Always respectful and clearly a hard worker. Thank you for all you did to hell customers like no other.*
