“ Reese, was a friend, neighborhood brother and family member. We grew up together in Sandy Grove subdivision. He was always into something musical. My first memory of Reese was him playing the drums out in his dad's workshop. All the neighborhood kids would be so amazed. Then he moved on to the keyboard, piano and organ as he had gotten older. Then he was playing for different groups, engagements and even some of our Gospel legends. I would see him on YouTube or hear him on the radio and I would be so proud to tell everyone I know that guy. I'm glad that his dreams came true with his music ministry. Reese, man you will be missed and thanks for ministering to us and the world through music that Jesus is the way.

“ I was saddened to hear about the passing of Reese. I have memories of him playing the keys for the gospel choir at Saint Augustine's College. He went on tour with us and he became a member of our family. He dealt with a lot with his sickness but he didn't just sit in the house he was always on the move. My Bible tells me to be absent from the body is to be present with the Lord. Reese has gone to be with his Heaven father and we will see him again in the morning. RIH you fought the good fight.
