“ *The most fondest memory I have of Melvin (affectionally called Gerald) was during the summer month of August, I think it was in the 80's I might have been 14 years old. We were celebrating Grandma's birthday.*

Myself (Marcus Ousley) mom, dad, and Rodney arrived at Grandma's house in dad's 1978 Buick. It was night time. We were all tired from the long drive from New Jersey.

As soon as we saw that sporty burgandy 1985 5.0 Mustang in the yard myself (Marcus Ousley), and Rodney Mcgee were immediatly energized.

As we looked through the dining room Gerald and Grandma were talking at the dining room table. It seemed like it took forever to get out of the car. We were just watching Grandma and Gerald conversate. Well, Gerald and Grandma are having a conversation in Heaven now.

As I type this memory of Gerald tears are filling my eyes, also as I think about the good times we shared a smile appears on my face.

*Gerald, I love you and you will be with me in my heart. Miss u much.
Your cousin Marcus and his wife Paula.*
