“ I was devastated beyond words when I received the news of yet another 1st cousin on the Middleton side of the family had transitioned.. I encouraged Michael many years ago, after he talked about Darlene often, to "just let Darlene know you're interested in getting to know her!" Long story short, Michael took my advice, and the rest is history! I knew he was sincere in his feelings for Darlene, after sharing brotherly conversations with him. I'm proud to say, I witnessed a proverbial "love at first sight" event right before my eyes. Darlene, please know that I'm praying for your strength and comfort that only God can give you at this time, and I'll be in touch often! Love you my sister!

“ My cousin Michael was a really great person. We would often talk for hours about world events, politics, church, and sometimes sports. And I think football was his favorite, if I'm not mistaken. I would like to say to all his children; Michael, Jr. , Gregory, Melanie, Courtney, Ladrea, and his lovely devoted wife Darlene, you all were a blessing to him as he was to you. May his smile forever shine bright in your hearts as we celebrate his life together, a life well lived. It is in Jesus name we pray. Amen.
