“ My friend Michael whom use to work at our office, whom I became close to him was considered one off my adopted son. Michael is and will always be in my mind for ever. Mike was a kind sweet person to my family and the people he met. I would a[ways call him to check up on him. Just see if he needed anything, but as usual, he would just say "I'm ok." I do know God has a good place set for him in heaven,

“ We had met once but it seemed like we met couple years ago, the way we talked about life ,how he was appreciated my present in his family, how he was felicitous me to keep doing the right things as I started to make life better with his niece that I married with, and all made my mind focused on the best to do everything I suppose to,but I didn't expect that to soon from him,all we believed GOD IS ABLE TO DO, GIVES AND TAKES, JESUS knew why but we don't, hopefully one day we meet again. CONDOLENCES, COURAGE AND FORCE to the bereaved Family.

“ My deepest sympathy to Michael Mason's family. Michael worked at our bank for five years, with his last three years in our department. He was such a sweet, gentle soul with a kind heart and generous spirit. Michael was very smart, creative and talented with the potential to advance his career at the bank. Everyone enjoyed working with him. We miss you deeply, Michael. Rest in peace.

“ *My heart is torn in a million pieces. I miss my brother so much! I will miss our long talks, hearing him laugh, and the jokes. I am going to miss the joyful sound of you saying hi Claudie! I am going to miss all the funny memes, recipes, or just you telling me about your day. Michael was not just my brother but my also my best friend. God gave me two wonderful brothers/best friends. A piece us is gone and I don't know how to pick up the pieces. Micheal was the most loving brother any sister could ever ask for. His laughter was infectious and that smile could light up a room. He had the biggest heart and was always willing to help others no matter what. I so blessed that God blessed us with you! I will love you always Micheal until we meet again!*
