“I loved Millie. I worked with her at Womack lab and she was a truly blessed wonderful person. She taught me how to cook wonderful stuff. Her love of her life was her son. Ronnie and her granddaughter. She was wonderful to me and she will be missed. I'm sure she is home with God. She taught me how to listen to her church service on the radio. And I loved it and the music was exceptional. Take care Ronnie. Best wishes, Tina Engel, formerly Nesspor and Cox. My cell is 585-967-2302. If you're ever in Rochester, you stop in n I can fix you collards from my garden, pulled pork w slaw n a wonderful sweet potato pie. She will be missed.

“ I'm going to miss my good friend and mentor. She was patient and kind as a teacher in the lab as well as in our friendship. We shared many wonderful fun times at plays, concerts (Tina Turner, Pavarotti) . She was always caring and a great listener and wonderful friend. Journey on home Milly what a reunion with your Dad and Mom, I'll meet you there.
