“ Dearest Malloy/Culp Family:
The words will never exist to express the unreachable place in my heart at this time. "Ann" was that big sister in my life who talked to me & not at me! Her inquisitions varied in subject matter, with an intensiveness to just know. I sincerely appreciated that about her with a readiness to have a meeting of the minds when in her presence. Ann may be physically absent, but she has left an indelible impression in a most positive way. Prayers of LOVE & condolences are rushed your way mingled with an abundance of empathy!
