“ *Monica had a deep sense of family, and worked tirelessly to ensure that the circle of family would not be broken. Although we live in Florida, it was clear that her greatest joy came from her parents, brother, husband and children, whom she loves and cherishes.*

Her insight into family was demonstrated when she was just 3-4 years old. She used to call me and my wife by ONE NAME -- Bozzy-Lil. Maybe she did not realize it, but we have never been so honored by a name, because God makes married couples ONE!

This present sorrow will pass, especially as we remember that Mon always looked out for what is best for her family, never wanting to provoke fussing over herself. Our prayer is that we are able to complete the good work she has started with HER family.

“ *Monica was always my "smiling friend". Whenever we needed to laugh she was there with her wonderful humor and personality. I have never seen her cross. In fact I told her that often. She would laugh and say, "Good, that's exactly how I want you to remember me." I promise that I will Monica. You were there for me even at my lowest point. When I didn't care to step out of my home you came and pulled me out. You refused to let me disappear. You reminded me that I am and will always be loved by you. You gave me what I needed to continue on with this day to day life. I will forever be grateful to you for that and for always being that voice in your friends' heads that told us to never stop growing. You congratulated and celebrated with us. All the while never asking for anything back. And we will always love you for that. Your girls will continue on in happiness and greatness because of your encouragement, love and support. Thank you and rest in heaven my dear friend. In loving memory, Sherry and your crew. ❤️*

My deepest sympathy and prayers to the Jackson family. I became a co-worker of Mrs. Jackson in 2019 at Union Hill Elementary. She was a sweet lady. She was a teacher with a big loving heart! I loved her sweet smile! Mrs. Jackson will be missed greatly.
