“ My precious "granddaddy"....the pain I feel from your absence runs so deep...you raised us to always hold on to God's unchanging hand, so with that I know that this shall pass. I am so glad I got to spend time with you in your last times as we reflected on the "good ol' days"... even if only in memory. You faught so hard for so long... You have eternal rest now. Enjoy your wings and fly! I love you!
