I miss you so much little brother and you were always crazy and funny when we were in band practice and you always kept me from popping off on people

“ Ms. Anderson, I have and will continue to pray for you, your daughter, and the rest of N'Dongo's family. You raised an amazing young man. Although he is not in this physical world anymore he will always be with you. For the many days and nights you watched over him and kept him safe, he is now doing that for you. So many things will happen that will remind you of him. Some will make you smile and some will make you cry. Allow those memories to do their work just as God has done. I pray that you will have strength and continue to be the great woman that you are. May he rest in heaven and smile down on you all.

When a child is gone too soon, know they are walking with the man on the moon.

When his memory brings tears to your eyes, he is smiling as beautiful as the sunrise.

When the warm days begin to turn cold, don't be sad he never grew old.

When holidays come and pass on by, your child is watching, he's laughing now from the sky.

When you feel all alone you will never be again, N'Dongo will forever be there, holding your hand.

From the bottom of my heart,

“ *As a friend of N'Dongo friend Destiny I'll my famliy wants to do is pray for you. Keep you in our hearts and mind as a family. N'Dongo I tell you had the prettiest most beautiful, brightest smile a boy could have. He could make a whole class laugh without trying that's how funny he was. I would annoy him just by laughing, but at the end of the day we were still the bestest friends. My family members will alway pray for you.love is all we have for you Gueye's family because we know that if it were us you and the others would do the same.*

“ N'Dongo Gueye you will be truly missed by everyone you came in contact with. I will always remember your smile, you carrying your lime green nike bookbag everywhere, talking about basketball, and you wanting to shoot paper balls in the trash can like Stephen Curry. Thank you for the 7 weeks we had together in my class sir. Rest well in heaven and I myself along with the 7th grade Warrior teachers and team will miss you. RIP N'Dongo
