My prayers are with you. Please forgive me for such a late response, but I just learned of your mom's transitioning. May God honor your dedication and love shown to her for his glory. You will be blessed.

“ After the tears have dried and the goodbyes have been said, all we have to hold onto are the happy memories that we’ve shared with our loved ones who have passed, this is what keeps them alive in our hearts and in our minds, and they will continue to live on, through us.

I am praying for you to have peace and strength at this time. You have my deepest sympathies.
