“ So so sorry to hear of your passing Mrs. McCoy . I will hold on to all the memories I have of you. I'll definitely miss coming to your house visiting and checking on you and hearing you say Thanks for coming and always asking about my mom and brothers. I remember you always telling everyone that you knew me since I was a little girl and how cute I was and had long pretty hair. We were neighbors for many years. SIP

“ Nellie Mae, as she was lovingly called in the Fuquay, Holly Springs communities was a kind and loving person. Marriage brought our two families together and I always told her how very attractive I thought she was and she would just reply. " boy you ought to quit, for real." then came a big smile and we would both laugh. She will forever be in my thoughts. Rest contently in the arms of the Lord. Edward "Dwight" Cotton and family.
