*Sister Tisdell was one of the most compassionate and loving women to me whenever I was a child and we were all attending Parks Chapel Church. I spent many a nights in her home and she and her husband and her daughters always made me feel like I was on a vacation. She is one of the reasons I am who I am today: she and her family just loved me. I am sadden by her death, for I went all up and down Pennsylvania Avenue trying to find her house a little over a year ago whenever I was visiting my family in Fayetteville. I have thought of her from time to time and I cherish the memories of being in her backyard and just knowing the she cared for me, a poor little girl in a big church. I send my prayers and my love to her family and only wish that I could have found her house just to visit one more time. I will forever think of how her love changed me, Pastor Linda Joyce Clark-Gladden of Riverview, FL*
