“ *Moa,
I love you so much words can't describe! You made a sacrifice to raise a grandchild an it was me!! You gave me all your love, time, patience, an memories!! It shattered my heart to see you leave but it was the most love I could give you! You gave me all of you and I gave you all of me!! My life will never be the same but I can say it will be better because now I got to live to see you again!! The love between me an you is forever!!!
