“ Felicia,

My heart is truly heavy hearing about the passing of your beautiful mom, Ms. Odessa. She was always so warm, gracious, and full of light every time our paths crossed. I still remember visiting Sweet Candy Cafe with my late dad during one of my trips home to North Carolina. Your mother welcomed us with such kindness and joy, making that afternoon feel special in a way that stays with me even more now. She had a spirit that made people feel seen, appreciated, and loved.

Over the years, even through Facebook, she never missed an opportunity to show kindness, encouragement, or support. Whether it was a birthday wish or simply liking photos of my sons, those small gestures reflected the caring woman she truly was.

Felicia, I know this loss cuts deeply. You loved your mother fiercely, and anyone who knows your story understands how much family has meant to you through every season of life. I also know you carried the weight of caring for her with love, dignity, and devotion when she needed you most. That matters. That love matters.

Please know that many people are lifting you and your family in prayer during this difficult time. May God surround you with peace, strength, comfort, and the memories of your mother's beautiful spirit.

Rest peacefully, Ms. Odessa. Your kindness and warmth will not be forgotten.
