“ Dear Omar,

You will be forever missed and loved. You have touched and cared for so many people throughout your life. Your smile and your smooth style will never be forgotten. You were one of the smartest people I have ever met. Our friendship and love will be forever cherished. I regret not being there for your home going service, but work and life would not allow me, but you and your family were in my prays and thoughts. You will be forever missed.

Rest in Peace,

Tameka Vaught, M.S.
