“ Onyx was my great nephew. I, along with the rest of our family is truly missing his strong and very matter-of-fact personality. I miss his presence and his very beautiful eyes. I also miss hearing him play in the background as my sister and I had our sister chats on phone call. I will always and forever wonder about what would have became of him, his pre-teen and adult years as well. Nanny Phat-Phat will forever be in my memories. I truly thank God for the time that He has allowed us to borrow him because we know that the rightful owner of his life and soul is Almighty God. For every reason that God sent him to our family, I pray for clarity and fulfillment of each and every one of our family members. His coming and going shall not be in vain. To our beautiful family, we forever have, to cherish, every memory. Let's remember family that Little Onyx had and fulfilled his purpose. We all must do the same by continuing on by the strength and mercies of The Father. May God forever bless, guide and strengthen our family in Jesus name, Amen. Rest easy our baby until we meet again.
