“ 19 years ago I was married at a church in the Bronx, NY and Pastor Pablo Colon was the pastor who conducted the service! I currently reside in Austin TX with my husband and 3 kids and I've recently learned of Pastor Colon's passing. I will never forget your character, kindness and love you had for others. Thank you for touching my life with your enormous heart!!

*Love Jennifer Solano and family*

“ I am praying for you! Just know that earth has no sorrow that heaven cannot heal. Mr. Colon was a true man of God and a man of honor and integrity. We encouraged each other so many days while at work (Ashley Elementary School.) I grew to love his entire family! He will be missed. Heaven has truly gained a great soldier. Mr. Colon good night and I will see you in the morning! Sandra Braxton
