“ *My heart will never stop hurting for you. There is not a day that goes by that I do not think about you. My heart is broken and continues to break everyday as I remember your voice and your smile. To some you were just another woman on the street...to me you were so much more than that. Nothing can repair the scars this senseless act has left me with. However, I know God is making everything beautiful in his timing. You have given me a courageous spirit, I will continue to survive the night, so joy may meet me and those I encounter in the morning.*

Forever remaining for you, my dear warrior.

Love, yours truly Nylah.

“ *My sincere condolences to Pamela’s family and loved ones! I recall our good days together when we stayed on Roosevelt and your family on Wilma. In high school she always had a pleasant smile and a kind word. Although I didn’t graduate from EE Smith, we remained in touch for years. May the Lord abound and bless the family during this time of bereavement. Look to God for help and strength.*

“ To my dear family I am so saddened by the passing of cousin Pamela. She was Aunt Sallie Mae's first grandchild and I remember the joy in Aunt Sallie Mae when she told family members of Pamela's birth. I know there was a great joyous welcoming of her when they reunited in Heaven. God continue to bless all of you.
