“ Parrish was a active, energetic child, growing up in Detroit, on Archdale street. We watched him, play with the neighborhood kids, attended school, grow to become a fantastic young man. Parrish, grew up with my children. He moved to Texas, to work for a while. Return to Detroit and eventually join the military. Saw him three times after that. Always a classy young gentleman. To the family, you have my deep sympathy. Love, Charles, Detroit.

“ I had the pleasure of working with Parrish at the University of Hawaii at Manoa. What a kind and thoughtful person. I'll miss his laughter and most of all his singing of the theme song from the television series Mr. Rodgers. Truly missed.

“ Parrish was the most kindhearted person in the whole wide world. Bar none. The light he shined will leave an indelible mark on my heart. These are not just kind words but, a deep conviction left by knowing him personally and the continued love and peace that followed him wherever he went. I will celebrate that you've gone home, I will always miss you and the "RockerChair".

“ *Some of my earliest memories as a kid was with Parrish. He was always funny and kind and would spend hours with me and my siblings rapping, telling stories, and playing with us. I can say that he was a lover of God and his commandments. He really loved God with all his heart, soul, mind and strength! It's not many people on the earth that you can say was an authentic good person. Parrish was a great one! Rest in the arms of our Lord and Savior!*
