“ *Tomika and Family, know that Mom/ Grandma loved you very much. She was ready to see Jesus. I'm so glad that my sister Connie and I visited with her in the hospital in August and we had prayer with her and God extended her 10 more months to be with you all. I talked with her last week and we were looking forward to another visit next month. Patsy was my special cousin, I love her and She love me. I will continue to keep you all in my daily prayers. God strengthen you for days to come. ♡♡*
