“ Thinking of you! As I picture you I see you dancing on beach sand, pure white sand with a candle in your hand, you smile! you smile as you spin in your light pink gown looking as if age or pain would never come around, looking young as ever and bright as star no cuts no burns not one bruise or scars, I see you and i cry as you dance in the sky, dancing on this pure white sand with a candle in your hand you look down at me so strong and so bold then smile and suddenly it starts to snow gold as you stand up to continue to dance all i can hear is one song in my head, Merry Christmas baby sure did treat me right Merry Christmas granny I know you are enjoying paradise. Rest easy my beautiful queen! I miss you! Dance on granny dance on!!!
