“ I just remember meeting you so many years ago, I want to say elementary school or the first year in middle school, you were always so funny, but what I remember most is how kind and sweet you were. Rest easy my friend.

“ I remember the day you were born. Aunt Katie was with your mom. I believe they were only expecting one and you entered the world behind your sister, unexpectedly . At least that how I remember the story. Phillip you were always a sweet and kind little boy and young man. You will deeply missed.

*Love your cousin, Stephanie.*
