“ I was heart broken to have just found out that Pierre has passed. I so regret not staying in closer touch although I have always thought of him very often and wear his big ol hoodie regularly. It's my favorite. He was such a sweet and gentle man. I will always have love in my heart for you, Pierre. And, my condolences to all his family and friends.

Love always ~Bethany

“ *So many years of love and friendship. So many memories. Morgan, Brianna, Saylor and I love you with all of our hearts and will always cherish the times we shared together. You were everything and more to the girls and I. They always wanted their friends to meet Uncle New York. You were always there for us and even when you couldn't be physically present, you still called and let us know you cared and were thinking of us. Birthdays, holidays, graduations, cook outs, learning to drive.... you were always there. Thank you, from the bottom of my heart, for the beautiful friendship that we shared. We'll celebrate you every day that we're here and look forward to the day that we meet again.*

“ I've known Peirre for 15 years, and in the 15 years i've known him, he has been nothing but kind-hearted, generous, and an all around good guy. He would talk with me for hours and always listen. My heart is completely crushed and I am praying for the family. A great memorie of him would be when he asked me to go to California with him. He was always goofy, singing (to country music) , and that is the best memorie I could ask for. He will be missed dearly.
