I am so very sorry to hear of the loss of our dear cousin, Preston. May the memories of happier days with Preston soften and heal the hearts of all his family. I remember Prestin when I was a teenager and spent time in Spring Lake with Grandma Naomi. He was always full of life and happy. Preston will be missed. Love you all

“ Family please know that we share in your grief. We are praying for your PEACE. Will it be easy? Definitely not. I pray that your faith in God and the Holy Spirit will allow you to truly see that your Dad is resting in a new body free from sickness. And for that we say THANK YOU GOD. Know that we LOVE you and offer you our shoulders to lean upon during this difficult time. I'm sure hunting is not allowed up there but I hope Cousin Preston and our Dad are sharing stories of the big one that got away.
