“ Yvonne and family, may God continue to be your strong fortress during this time of grief and pain. May His love surround and envelop you as family and friends offer love and support, even from afar. We know that God is able and will sustain you through this. We are grateful that God answered your prayers by giving you Priscella to love and nurture, and for her gratitude by becoming your caregiver and making you proud to be her mother. Know that you are loved and we mourn with you.

Love,
