“ I met you in 7th grade at Hill Crest. When you use to wear that little ponytail on top of your head, I still dug you even though you scooped Curtis Rainey from me. You always were a cool chic, you were a person who never met a stranger. I know it is blowing your mind to see how much love ppl have for you.
Job well done, Race well ran Queen.

“ *Sending my condolences to the Williams family. It saddens my heart to know that Quan has gained her wings. I didn't speak as often as I should but I always listened to when she would give words of encouragement on her post. My mom and I would laugh at memories of being around them and Aunt Ursula and Aunt Bev. We may not be there but we are there in spirit. We love you Quan ❤️❤️❤️ Nikki and Brenda Ragin*

“ *To Quanita children and sister. We are saddened to hear about the loss of Quanita. She was a very lovely person whom we came in contact with at Evans Metropolitan AME Zion church a long time ago. When she was younger, my husband used to pick them up with the church bus and bring them to church. As Quanita got older she used to sing with us in the Jackie Haile-Sapp choir. Our condolences to the family she will truly be missed. Rest in peace my friend. God Bless*
