“ We will now has a speech by Yolander Mason," I can fondly remember Rachels voice filled with excitement as she announced yet another small child for an Easter, or Christmas or other holiday church event. Rachels radiant demeanor combined with a willingness to spread the word of God are what made her a Ray of sunshine. I will truly miss you Rachel and treasure the fond memories that can never be erased. God Bless.....

“ have known Rachel Mason for 42 years, she and I never really lost touch with each other down through the years. She was one of my strong supporters as I served the Woman's Baptist Home and Foreign Missionary Convention of NC as President of the Young Adult Department. We both dedicated our lives to the work of missions and to loove and aid young people. I never throught loosing a friend like Rachel would hurt so bad. Rachel's death has left me in pain so I can only imagine the pain you are experiencing. As long as we know the God that Rachel new we will eventually heal.
