“ To the Family of this young man I did not have the pleasure of meeting or knowing, I must say that from watching the live stream he was truly an angel on earth. Was he perfect no, but he exemplified what our Heavenly was and is LOVE. I was touched to my heart from all of the statements from friends and family about this walking ball of noting but LOVE. KINDNESS, and UNITY. We will never understand GOD'S sovereign plans for our lives, but we can a,ways find comfort in and from our CREATOR who never ever make a mistake. If all of his friends, associates, co workers try to emulate and exemplify the characteristics this young man posses, our world will become a much better place to live. Family GOD bless you and each day exhibited a piece of who he was, he legacy will be for eternity, and he will forever be in your hearts.

“ *I have loved you before I ever saw that beautiful face, near, far, no matter how much or how little I got to see you I have kept you safe in my heart. Now, you got your wings way too soon, my life is shattered, my heart forever missing a piece for you are not here. No words to describe a grandmother's grief, I would give my life if it would bring you back to before that fateful night, to let you be able to have a life that awaited you. But, sadly, no amount of love, or tears can do this, and this grandmother has to find a way to get through each day without falling apart. Rest Peacefully my grandson, until we met on the other side you will forever be in my heart, my thoughts, my prayers*
