“ *My heart goes out because I was just googling my daughter's name not thinking what I was doing because her birthday is coming up in a few days and this lovely beautiful baby name popped up and I clicked on it and my heart just stopped. Not only does her and my daughter share a first name but a similar middle name Ra'Niyah J'nai ...I wish your family many blessings and I hope that little Ra'Niyah always smile down and protect the family that she left behind.. An Angel whom already received her wings...*
