“ I just want to say I miss you already so much. You had such a good
spirit. Your smile always brighten the day. I'll always remember the
last time we ate at Waffle House and you telling me to laugh more
and live a little more. I know your in a better place. It doesn't make
the hurt go away though. Love always

Regis stood out to me as a “Man of Substance”. Although our time was limited to his monthly visits to get his hair tightened up as he pursued his lock journey, I always took something great from our conversation. His wit, desire to be great and to witness real peace in this world will remain in my memories of him. Rest In Power Brother, we got the rest of this. My deepest condolences to his family and beloved children.
