“ We're going to miss you Shaud. He would always called me aunt Mott. The good times remembered were when he and my son Keyth sat at my table for many meals, sometimes arguing who would get the last piece of whatever I cooked. RIP my son

“ To the Family of Reshaud,

My heart is with you in this moment of deep loss. Reshaud was never “just” a member of our church — he became my little brother in every way that mattered. He had a way of slipping into your life with that big smile, that laugh you could hear from down the hall, and a spirit that made you feel like everything was going to be alright.

I will always remember the way he praised God with his whole heart. His singing wasn't just sound — it was joy, it was testimony, it was healing. And his laughter... that was its own ministry. It lifted us, encouraged us, and reminded us that even in hard seasons, God still gives us reasons to smile. Reshaud left fingerprints on our hearts that will never fade. I am grateful for every conversation, every joke, every moment he let us see the goodness inside him. He was loved, he was valued, and he will be missed more than words can ever fully hold. As we walk through this painful time, please know that I am praying for your strength, your comfort, and your peace. May God wrap each of you in the same warmth and joy that Reshaud shared so freely with all of us. His memory will live on in our church, in our hearts, and in every song of praise that reminds us of him.

*With all my love and deepest sympathy,
LaPortia*
