“Red” You were ONE of a kind always stood your ground and didn't take no mess, and always tried to make sure everyone was taken care of. We had some heart felt conversations and I just want you to know you will be truly missed. Your laugh and smile will be missed by many at the Coliseum. Red you will live on forever in our hearts. We are sending all the Love to you from your Jani King Working family, the Coliseum and my family. Those we Love don't go away, they walk beside us every day. Unseen, unheard, but always near, so loved, so missed, so very dear.

Forever in our hearts

“ Rest easy my red, I’m in shock right now. We been friends from the ville, to Raleigh, to where ever we travel. I will miss listening to Jeffrey Osborne without you. I will smile anytime I hear his songs. Thank you for the love, wisdom, strength and laughs you shared with me. I will miss seeing your beautiful freckled face.
