“ *Robert and I were friends going back to elementary school and I still have lots of memories of hanging out with him and exploring that world of ours known as the 'Heights'! Basketball in the backyards, riding our bikes in the 'woods', building forts, his spot on imitation of Rudy Ray Moore doing the 'Signifying Monkey'!. I lost touch over the years and our various moves, but I will always remember our good times together. Rest in Peace, Robert.*

“ Maybe a week or two before my big brother was in the hospital again. My Sister's and I went to see him and he was sitting up in a wheelchair, he was so happy and grinning from ear to ear. He reached out and hugged each one of us and he hugged us so tight. I will keep in my heart forever the good memories before and after his sickness. My brother did give his heart to our Lord and Savior Jesus Christ. 🙏🙏🙏❤️❤️❤�
