“ Brother Robert Garner was a dear and long time friend of mine. He is the only person I know that pronounced hospital as horsepital. We sure had some fun times sharing the Word of God and just laughing. Truly he was a precious and special person that was loved by many and already missed. May God continue to bless his wife, sons, grandson, mother, brothers, family, and friends and comfort and strengthen them during this time grieving. I am blessed and thankful to have had a friend like Robert Garner. Evangelist Jackie D. Felton & Family.

I had the pleasure of knowing Robert and working with him. The times we shared laughing talking and oh yes eating. My wife and I will surely miss him. Deacon and Evangelist Horsey

I remember Robert because he would walk with his brother David to Ashley School. His neighbor called him by a nickname. (not sure what it was) Robert was always quiet and respectful. SIP Robert Garner.
