“ *Daddy, today marks the day you were born 97 years ago. I am not able to hug you for your birthday, but knowing God has you in his arms gives me comfort.*

It has been a little over a year since you've passed on and there is so much I wish I could say to you. I wish I could call and say goodnight like I used to.

You were my hero. I'm sending hugs to you in heaven and wanted to let you know that I love and miss you
