“ Robert, you were my boy. You, Gerald, Phil, and I used to hang out and get into mischief. I was thinking about you, Robert. I am deeply saddened to find out you are no longer with us. Rest in Peace, Robert, with your incredible imagination and powerful spirit. With love and respect.

“ I just learned of your passing, my friend. I was just talking to another friend about how I needed to find the time to find my friends from childhood and just say how much I appreciate their friendship. I am in deep sorrow for missing that opportunity with you, but I feel you knew how I felt. And Lord willing, we will see each other again. Until then, Rest in Peace, Robert, and know you will continue to live on in your loved ones memories.

“ To my twin, my friend, and my brother "Bo". I am numb from losing you and the thought that you are no longer walking on this earth hurts the very fiber of me.

As children, you were my partner in mischief. As adults you were my confidant and my rock. You helped me navigate so much in life and it is hard to imagine you are gone way too soon.

Words cannot express my love for you nor how much I miss you. You will always be a part of my heart and I will try to continue on in a way that would make you proud. I am happy that I got to be your sister and I will always be as you called me ... "Your" Linda
