“ My prayers are with you all. Janet and Terry and other family members, I know what this is like. I too lost my dad 10 months ago. I pray that God strengthens and keep you. Today may be hard but each day it gets a little more bearable. You have many beautiful memories of good times. As much as possible, reflect on them to help you get through each day. God will Take care of you. Keep praying and doing what God's word says and we will see our loved ones again.
