“ Robert will be greatly missed. His contagious smile and stories he shared with me always put a smile on my face no matter what kind of day I was having. Dad, your love for him is like no other, so much dedication and care.

Please take care of yourself. I know I always told you that when I saw, I know it's easier said than done, but you and Robeet were always a special part of my day and I just want you to know that we are all thinking and praying for you.
