“ I remember Bobby’s sense of humor. Although he was dealing with several medical problems he did not complain. He lifted your spirits. The family’s love for him with Freda always leading by example was awesome. Although Freda’s plate was full with her own medical challenges she would put Bobby first. Now that is what a mother does. May God give Freda and the family a peace that surpasses all understanding. R.I.P. Bobby. Rest in the arms of Jesus.
