“ Not really sure what to say or where to start. Things happened so unexpectedly. But that is what makes life genuine and real. My brother Roshaun knew the love and realness we had for each other. Even the smallest memories are insurmountable because it was the authenticity that mattered and the impact that aroused from it. Which was respect, honor and happiness. Known Ro for over 20 years. You will be missed bro. I recall our last encounter. And it was no different from the First. Peace up Bro. Definitely will be missed. One Love. --Slick Nick
