“ Mrs. Torrey was not only my teacher, but also a good friend. I was a student in her home economics class during my senior year at E.E. Smith Senior High School. She was an excellent teacher, always patient and always with a smile. I learned a lot from her, and I still have the recipe box that I made in her class so many, many decades ago. Mrs. Torrey was a faithful friend during my mother’s illness and passing. She was one of the people I could depend on when I needed assistance. I am so happy that I had a chance to visit with her a few months ago when I was in town. When I walked into her room, she knew me immediately. The visit was short, but it meant a lot to me. I offer my sincerest condolences to Mrs. Torrey’s family.

They simply dont make them like Rosa Torrey anymore. I was one of her "extra kids" from FBC. Her and Yvonne Bethea were, are, and will always be my own personal DIAMONDS OF DISTINCTION. Rest in power Queen.

Will always remember and be grateful for the love, encouragement and dedication Mrs. Torrey willingly gave to all of the students she taught. She taught me the value of believing in yourself regardless of current circumstances and situations as you move forward in life. I am very grateful to have known her, benefited from her wisdom and fortitude. Proud and blessed to eventually join her in the ranks of our beloved Sorority, Delta Sigma Theta, Inc. and to share hugs and big smiles whenever we saw each other. Rest in Power Soror Torrey! No doubt the work you have done to uplift others speaks volumes to a life well lived!

“ To the family meet I had the wonderful pleasure of meeting this awesome little fireball, a couple of years ago when I worked for the Council On Older Adults. She was a board member and she came for the meetings. Always dress to the 9, with a big pretty bow on the side of her head. She inspired me because she was in her late late 80's, I think early 90s I do know 80s. Sharp, well spoken and so nice and engaging. May the God of Our Salvation continue to shower you with Love, Grace. Unity, Comfort and the Peace That Surpasses All Understanding. Ms. LaVonna Armstrong Johnson.
