“ This is the month I lost my Nurse, and adopted family member. Sade, words can't explain how much I want to thank you for being in me and my kids life. All the girls are in college, I'm trying to be more social with ppl but I still have that wall up. I wish you was here to see how much I have accomplished. I often find myself texting your number only to delete it, I miss you our morning texts, walks at times when I felt up to it. I was blessed to have met Sakinah a yr ago. I feel as though you put both of us in that store at the same time. She's great. I'm thankful for her. I still have a part of you in my life. If God could allow me one visit a year to see you I'll be waiting at 11:59p so I can get my full 24hrs with you. Please continue watching over me and my children. We love and miss you

“ Missing you like crazy. My days seem longer than ever. I will always miss our daily chats. You showed so much compassion in your towards your clients. I feel that last week you worked with me, you was putting everything in place for me. I would give my life just to sit down and talk with you again. God had to shutdown heaven when he heard you was coming home. Even he knows your work here and beyond. Sade Robinson name carries volume on earth and in heaven. Keep watching over us down here, until we meet again.
