“ *My beloved baby sista...Zaynah. To know that you touch so many lives in the same way you touched ours, makes me smile. So full of life, beautiful, hard working, funny and caring. I always said I had one foot in and one out when you were born and you always explained that I was your big sista in real life..(laughing). This loss hits hard for me. May Allah grant you paradise and provide us all with peace. ❤️*
