“ My Heart is saddened after seeing the transitioning of My Funny Sallie I often called her 🕊️. I first met Sallie while we were taking some trade classes as we remained close I met her children & they all began to go to church with me at New Galilee COGICJ under leadership of the late Pastor Eddie Ford Jr. We had recently connected through her daughter Yvette, I had missed a call from Sallie & tried returning her call plus left a text message for her which I still have on my phone. There's so much more I can say about Sallie but she was so funny to me while not knowing she was being funny. One thing I know is that our Love is Genuine for one Another which I can count on Yvette every year to call me on my bday also my son Tony & my niece Marina, Every Year! Sending Heartfelt Sympathy, Condolences, Prayers & My Love To The Entire McGilvery Family. Elder Ethel Campbell & The Way of Life Ministry 🙏
