“ He was my best friend my brother from another. Even after all these years of him gone still bring tears to my eyes. He was one you can tell anything to once you manage to get close to him. I remember when he first met me I was a freshman and he thought I was just one of those females trying to hard. We use to bump heads at first but the day that changed. I had got kicked out by my mom and I called Cra and he couldn't make it to me so he sent Sam. It was that day we became close we were inseparable to the point where me and his girlfriend were at each other's throat. But I knew we had to get along and once she realized that I wasn't there to date him but I wasn't going anywhere. It was funny because even after Sam left school I was known as Sam and Cra's little sister. I can't even talk to Cra about you. I love you Sam
