Sam was born on December 27, 1945, to the late Esther (Smith) and Samuel John Griffin Sr., in Buffalo, NY. He was raised in Gainesville, GA and attended E.E. Butler High School, where he excelled in various sports, but ultimately fell in love with the game of golf.

He was also the first Black club champion at Fairchild Wheeler Golf Course in 1986. After retiring from employment with Mill River Country Club and Great River Country Club, he relocated to North Carolina and continued his passion for golf by joining the Kings Grant community, which remained his home for the last 10 years.

“ *Fond memories of my friend and schoolmate. From our nights of enjoying burgers and orange crush sodas when Sam worked as the closer at Burger Chefs, our days of cruising around Gainesville and especially our days at Fair Street and E.E. Butler High Schools. We, along with a host of other seniors, played major roles in the Senior Class Play, "The Boarding House Reach". Those memories carried over through many visits while Sam and Darlene lived in Bridgeport and later Fayetteville. I had no idea when I played a solo round of golf at King's Grant Golf Club in May 1997, what significant event would bring me back to this site! Sincere condolences to Darlene, The Griffin Family and friends from my wife Hardy and me. R.I.P., my friend!*

“ *Darlene, My deepest condolences to you and the family in the passing of a PQ legend "Sam Bam". Sam was a mentor, a golf enthusiast who try to instill the game of golf in us before it every became popular with black men and women. It was in the Lobby of 615 Broad Street where he said to a few of us " This one day is going to be thee sport and if you learn it now, you'll be able to enjoy it." He was right. Sam coached us during the Peoples Savings Bank Summer League and took us all the way to the Ship. You will be surely missed and loved by all of your PQ family and friends. Ernest Pouncy & Family.*

“ Sam was 1 of the pillars in my life. I owe much of my maturation as a man to some of the lessons that u learned from him. He was truly one of the most respected men in the entire city of Bridgeport. Sam i love you and I will cherish all the times that we talked about life & me being the best father,son & family man. Thank you for taking the time out to teach me how important it is to carry myself as a gentleman at all times and be the best representation of my family. Rest easy my guy!!!
