“ What I remember most about Rev. McDonald is his beautiful sermons. Yes he had a beautiful singing voice but his sermons would set your soul on fire. He will be missed. May GOD grant his family and friends solace during this time of grievance.

“ Dr. Samuel McDonald Jr. was the beloved pastor of Garland First Baptist Church for thirty-seven years. He was an icon in and around the Garland Community. He loved his members and treated everyone the same. He was a man of God and lived it and showed people just who he was. People came from near and far just to sit under his ministry. His family was our family as they were raised in the area because that is where Dr. McDonald and Mrs. McDonald was every first, third, and fifth Sunday. We at Garland First Baptist still consider them a part of our family. Dr. McDonald taught us, prayed with us, visited us, ate with us, and was there when a loved one passed to help us go through. He will be missed by many. My deepest sympathies to the families. We love you all.
