*Throughout our lives God allows many types of people to cross our paths. Some good and some not so good but I am so thankful that God allowed me to cross paths with someone as awesome as Sandie Darby. Sandie was an encourager, a motivator, a good person to her core. Her friendship was genuine with no strings attached. Anyone who was blessed enough to call Sandie a friend knows her grace not only extended to them but everyone in their family. Her kindness & generosity touched my entire family, from my aging mother to my young adult daughter. Sandie touched each of us in her own unique way. We thank God that we were allowed to experience her friendship. We pray God continues to provide the family comfort during this difficult time.*
